AT THE LINCOLNSHIRE OAK

The Lincolnshire Oak should be your first choice venue in Sleaford for you to celebrate your wedding. We are about a mile along East Road from St Denys parish church and are also licensed for civil wedding ceremonies. Our beautiful hotel, based around a Victorian merchant's house, is surrounded by mature grounds and attractive gardens. We have ample parking space and have easy access from the A17 for your guests.

We have very flexible facilities that will feel perfect for an intimate wedding celebration with just a few family and friends, a civil ceremony with 80 guests with everyone attending the Wedding Breakfast or even an evening Wedding Reception for up to 200 with a buffet and disco. Each wedding is individual and each wedding unique. We only host one wedding on any day.

We have four attractive rooms which we use for Wedding Receptions.

- **The Acorn Suite** can comfortably hold about 120 for a three course Wedding Breakfast. This is our largest room and together with the Oak Bar can hold up to 200 for a Wedding Reception and disco.
- **The Lincoln Suite**, which has three full length windows overlooking the gardens, seats up to 40 for a Wedding Breakfast. It is a beautiful location for civil ceremonies.
- **The Garden Room** is a similar size to the Lincoln and also looks out over the gardens. It can be combined with the Lincoln Suite for larger civil ceremonies with up to 80 guests.
- **The Lounge**, again with windows out onto the gardens, is our most intimate room and can seat up to 20 for a reception.

Our grounds and gardens, with their mature trees and shrubs, make a wonderful location for your wedding photographs – and inside we have some great positions as well. All these points make The Lincolnshire Oak your first choice for weddings in Sleaford.

With 17 en-suite bedrooms, we retain much of the feel of a country house. An increasing number of couples are choosing to reserve the entire hotel for their reception to create a sort of "house party". We can accommodate over 30 guests overnight – and every "house party" has been a tremendous success.

We know that weddings can be expensive, however we are proud of our reputation for both high quality and value for money. We try to cater for all budgets, without compromising on quality.

Please contact Adrian Walker, our Hotel General Manager, on 01529 413 807 for more information. Better still - arrange to look around our hotel and see how it could be the venue for your wedding day. We would be delighted to create a proposal for hosting your wedding celebrations at The Lincolnshire Oak.

As cost guides:

- An intimate Wedding Breakfast for 30 guests in the Lincoln Suite, including wines, can cost less than £1,000.
- An Evening Reception with a "one bowl meal" and a disco for 100 guests will cost about £1,500.
- A three course Wedding Breakfast including drinks for 80 guests, followed by an evening buffet and disco for 120 guests, will cost around £5,000.
- A full "house party" including exclusive use of all the bedrooms in the hotel, a three course Wedding Breakfast and wines for 80, followed by an evening buffet and a disco for 120 will cost from about £6,500.

"Everything was fantastic – food was excellent and plenty of it, compliments to the chef. You did us all proud and made our day extra special. We will definitely recommend you to others in the future."

Shaun and Gwen

"Thank you so much for making our wedding day perfect. The venue and service was outstanding"

Chris and Jo
